CORPORATE SERVICES

OUR VISION
IS SIMPLE.
WE STRIVE TO
CREATE THE
FINEST WINES
IN THE WORLD

In 2004, when the first vines were planted at Gusbourne Estate, we had a clear vision and a single goal: to create English Sparkling Wines that would stand up alongside the very finest offerings from across the globe.

Today, we supply leading restaurants in the UK such as The Fat Duck, Ynyshir, The Three Chimneys, L'Enclume and The Clove Club. We have exclusive sparkling wine listings at Whatley Manor, The Langham and The Corinthia Hotels, as well as prestigious listings at Grosvenor House and Boringdon Hall.

We are the official English Sparkling Wine supplier of the Goodwood Estate, and our wines can be enjoyed onboard the Belmond British Pullman and Cunard cruise ships. The wines can be found at esteemed retailers including Berry Bros. & Rudd and Fortnum & Mason, as well as in over 15 countries around the world.

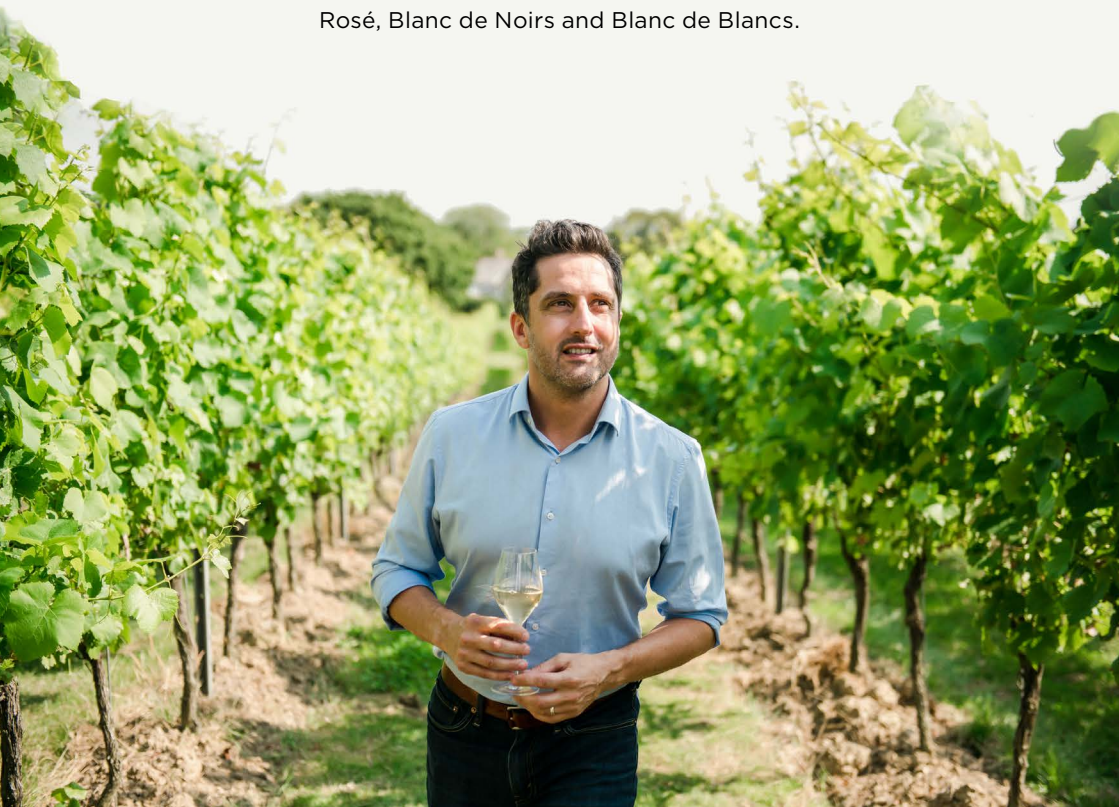

OUR WINEMAKING IS A SLOW AND MEASURED PROCESS

We follow strict, self-imposed parameters to maintain our exacting quality standards, and we ensure the best expression of our wines by keeping intervention to an absolute minimum throughout production.

Once bottled, the wines spend time on their lees to add depth and once disgorged, extended cork ageing further enhances their complexity. We're happy to wait as long as it takes to achieve perfection.

Focusing on just the classic grape varieties of Chardonnay, Pinot Noir and Pinot Meunier enables us to produce four particular styles; Brut Reserve, Rosé, Blanc de Noirs and Blanc de Blancs.
