CORPORATE EXPERIENCES

# ABOUT US

Founded in 2004 in Appledore, Kent, Gusbourne makes award-winning sparkling wines with grapes grown exclusively in our own vineyards.

We are the only three-times winner of the IWSC English Wine Producer of the Year. As a founding member of Sustainable Wines of Great Britain, Gusbourne carries an accreditation that reflects the most exacting environmental standards.

# ABOUT US

Gusbourne supplies leading fine-dining restaurants such as The Fat Duck and L’Enclume as well as Whatley Manor, The Langham and Corinthia London. We are the official English Sparkling Wine supplier to the Goodwood Estate.

An uncompromising quest for perfection and a fastidious approach to detail is at the heart of everything we do. We ensure only the best grapes are used in our winemaking by growing and hand-picking them ourselves. We present an authentic reflection of a time and place in each of our bottles, by producing exclusively vintage wines that are unique to each growing season.

Your guests can get out of the city quickly, enjoying a luxurious experience in a rural setting.

## Corporate gifting

We can also help to personalise gifts for clients and staff that you wish to thank. Choose from one of our beautifully presented, award-winning sparkling wines, or multiple wines as a gift-boxed set.

# TIME WELL SPENT

## Hosted corporate events people will remember

Imagine a picnic in the warmth of a vineyard, a glass of wine in your hand, made from the very vines you can see in front of you. Or lunch in our beautiful tasting room overlooking the vines. Gusbourne creates bespoke events that live on in the memory.

Your day will be hosted by our warm and welcoming Gusbourne team. They'll explain the history of our corner of the Garden of England and offer insights into the character of English sparkling wine and our unique terroir. Our staff are generous hosts and consummate professionals who will entertain, inform and make your guests smile.
