

## CORPORATE GIFTING INFORMATION

---

We can help to personalise gifts for clients and staff that you wish to thank. This could be for several hundred clients and staff at Christmas, or a personalised thank you to a colleague for a job well done. Choose from one of our beautifully presented, award-winning sparkling wines, or two or three of our wines presented as a gift-boxed set.

- **Gusbourne Brut Reserve**
- **Gusbourne Rosé**
- **Gusbourne Blanc de Blancs**
- **Gusbourne Blanc de Noirs**

- Preferential pricing on all of our wines is available on enquiry, based on the number of bottles required
- All wine prices are inclusive of delivery to UK mainland addresses
- All wine deliveries come with the opportunity to add a personal gift message

### Tour and tasting gifts

You could also treat your clients to a guided tour and tasting experience with one of our wine experts in the Garden of England. Gift vouchers are available for each of our three regular tours - Vineyard, Discovery and Estate - that take place weekly throughout the course of the year and can be redeemed online by simply choosing a scheduled session from our calendar.
