

SAMPLE ITINERARY

The majority of requests we receive are from corporate groups planning a day away from London and in our experience, the itinerary below provides the most suitable way to relax and enjoy a visit to Gusbourne. The experience is priced at £150 per person, excluding train travel and based on a group size of minimum 8 people and up to a maximum of 42 people. For groups above 30, we recommend splitting the group into two smaller groups for the tour and winery experience, coming together as one group for the tasting and lunch element of the day.

We can adjust this itinerary based on your preferred timings and transport. The latest departure time from Gusbourne is 5pm for a daytime event.
